

## MALE INCONTINENCE BIN

L.S.A. Healthcare Services Limited is the First **Caribbean Commercial Hygiene Service Provider** driven to remove the stigma around **male urinary incontinence** and raise awareness with the public, providing guidance for men, implementing innovative product solutions, and making the information easily accessible to all.

*Imagine the stigma, embarrassment, and silence our men feel.*

### How can we help them to live well?

Here's what we are doing as an **Industry leader**; We have acknowledged the lack of amenities in our Male Washrooms wherever they turn, especially when it comes to the disposal of male hygiene waste such as incontinence products, hence we are taking **action** to help them be comfortable at the workplace and within the public domain.

We know what men need when they visit the washrooms, and we are committed to providing facilities that enable all men to **dispose** of their incontinence waste **with dignity**.

### How can you help?

**DISCREET. DIGNIFIED. DISPOSAL. DESIGNED FOR MEN.**

**(51%) OF MEN OF ALL AGES, HAVE EXPERIENCED SYMPTOMS ASSOCIATED WITH URINARY INCONTINENCE**

You can help our men by ensuring that you cater to the needs of the male population - by ensuring every washroom is efficiently outfitted with a male incontinence bin.

By incorporating an incontinence bin into the male washroom cubicles, businesses can ensure they're meeting the hygiene needs of their male employees and visitors. While also showing you care which helps to reduce the stigma around male incontinence.

The male incontinence bin offers a discreet and hygienic disposal solution for incontinence waste.

Suitable for the disposal of incontinence pads and shields, disposable pants, and related incontinence products.

### KEY FEATURES

- No-touch operation to prevent the spread of germs between users.
- Cleaned with Bio Sanitiser to combat 99.99% bacteria.
- Wider opening and chute for easier disposal
- Ensures waste is being correctly sorted and disposed of.
