

LSA Healthcare Services Ltd in partnership with Prostate Cancer UK and phs Group launches the groundbreaking “Helping Men Live Well” campaign to tackle the taboo surrounding male incontinence issues. In Trinidad and Tobago, our men feel a sense of shame in discussing the topics of Prostate and Incontinence we must break this stigma in order to foster a new way forward “Helping Men Live Well”. Men experiencing this condition become socially isolated, anxious, and depressed due to poor provision of facilities to change incontinence products. LSA Healthcare Services Ltd provides a discreet and dignified way to dispose of your incontinence products.

## What is a Male Incontinence Bin?

The male incontinence bin offers discreet and hygienic disposal solution for incontinence sanitary waste.

By incorporating incontinence bins into male washroom cubicles can ensure you're meeting the hygiene needs of employees and visitors, while also helping to reduce the stigma around male incontinence.
